DETAILED ACTION

Acknowledgments

1. This office action is in response to the reply filed on 7/11/2008.
2. In the reply, the applicant amended the claims placing the subject matter of claims previously indicated as allowable into independent form.
3. Thus, claims 1-7, 9-14, 16, 18-21, 23, 26, 28 are pending for examination.

Allowance

4. Claims 1-7, 9-14, 16, 18-21, 23, 26, 28 are allowed.
5. The following is an examiner's statement of reasons for allowance:
6. The subject matter of the independent claim could either not be found or was not suggested in the prior art of record. The prior art does not disclose or render obvious the combination as claimed specifically including a breast pump having a vent opening formed only in a non-deformable conical horn member to open the space between the deformable member contacting the breast and the horn member to atmosphere and wherein the vent opening occupies a minority portion of the conical shaped surface of the horn member in combination with the other elements of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
